

# SAPIENS

By Minna Leino, based on Yuval Noah Harari's original work

Directed and designed by W A U H A U S

## English captions

Captions in English or Finnish are available for our performances of *Sapiens*!

By downloading the Thea-application onto your device and joining the wireless TEKSTITYS-network at the Finnish National Theatre you can enjoy *Sapiens* with English or Finnish captions using your smartphone or tablet.

### Directions:

1. The wifi-network at The Main Stage works most properly at the auditorium. Please find your seats in good time in order to activate the captioning application (Thea).
2. Go to **Settings**.
3. Choose **Aeroplane**  mode.
4. Find and activate the wifi-network **TEKSTITYS** (password: *tekstitys*).
5. Go to your AppStore\* and download the free application **Thea**.
6. Open the app **Thea** and choose your preferred language.
6. Enjoy the performance!

If you don't have a mobile device:

You can loan a device from the lobby.\*\*

Please return the device to the lobby after the performance.

\*The application is available on AppStore, Google Play and Windows Store and it works on iOs, Android and the latest Windows Phone 8 devices. Downloading requires your account password.

\*\*There is only a limited amount of devices to borrow.
